

We use the room and the setup,
even if we are not here right now.

You may enter, but

DO NOT REMOVE

any connected equipment
or other part of the setup.

Name: _____

We use the room for formal listening tests
or critical measurements.

We are “on-air” right now.

DO NOT ENTER!

(For control rooms you may quietly open the door a bit
to see, if you may disturb)

Name: _____

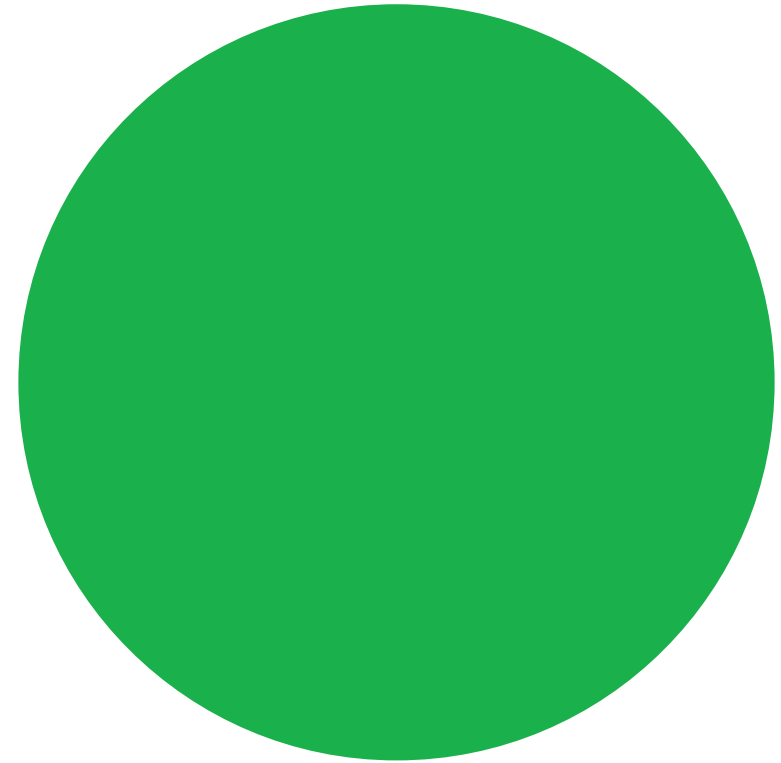

We use the room for formal listening tests or critical measurements. We are not “on-air” right now, so if necessary you may enter, but

DON'T TOUCH ANYTHING

Our setup is calibrated and carefully controlled, and it will not be checked again before use.

Name: _____

The room is free, but be aware that there may be a future reservation.

If you leave a setup, always turn the sign to the appropriate color, and write your name or group number on the displayed side.

If you use a laboratory and a control room, put signs on both.
